

Julian Alborno R

Technology Manager | Digital Transformation & Project Management Leader | MBA

Colombia · julian_alborno@hotmail.com · +57 3108303109 · <https://www.linkedin.com/in/julian-alborno-mba/>

PROFESSIONAL SUMMARY

Technology leader with 12+ years of experience and 8+ years managing IT teams, driving digital transformation, cloud modernization, and enterprise platform adoption across banking, retail, education, and aviation sectors. Proven expertise building and scaling high-performing multidisciplinary teams (up to 28 people) under Agile frameworks (Scrum, Kanban, hybrid models) with CI/CD and DevOps practices. Strategic MBA-driven focus delivering measurable business impact: 60% reduction in financial close cycles, successful 6 Oracle NetSuite ERP implementations across LATAM, and critical bank infrastructure migrations completed with zero production impact.

SKILLS

IT Leadership & Strategy | IT Governance | Strategic Technology Planning | Technology Roadmaps | Budget & Vendor Management | C-Level Stakeholder Management | High-Performance Multidisciplinary Teams | Cloud Infrastructure Migration | Modern Architectures (Microservices, APIs, Event-Driven) | CI/CD & Deployment Automation | Containers & Containerization | Monitoring & Observability | Transactional Integrations | JavaScript | Python | PHP | SQL | REST API Design | Data Modeling (E/R Studio) | Oracle NetSuite ERP (SuiteSuccess) | Oracle NetSuite CRM | IBM Sterling File Gateway | ERP-CRM-Core Integration | AI-Driven Process Automation | Workflow Automation | Design Thinking | Business Analytics & Reporting | Information Security | Risk Management & Compliance | Business Continuity | Access Control | Scrum (Certified Scrum Master) | Kanban | Waterfall | Hybrid Methodologies | Product Management

EXPERIENCE

Engineering Manager — FLYR

Jan 2025 – Present

- Lead two engineering teams comprising 14 people for development of Avianca Members portal
- Delivered 3 of 5 primary portal pages (Personal Data, My Trips, My Elite Status) with prefill implementation in Payments and Personal Data
- Managed product strategy during UAT phase, aligning technical roadmap with C-level stakeholders

Senior Project Manager LATAM — Bring IT

Jun 2023 – Nov 2024

- Led Oracle NetSuite implementation (5 modules) for Americas Leading Finance (Puerto Rico, spanning 15 LATAM countries) in 4 months, executing Train-the-Trainer methodology for role-based user enablement
- Achieved 50% reduction in monthly financial close cycles, decreasing process from 9 to 4 days
- Implemented digital transformation project with Oracle NetSuite at PEGSA LTDA (leading clean energy company in Colombia and Latin America) in 4 months, delivering same close-time reduction and 5 standard module integrations

Director Platform Transformation — Scotiabank Colpatria

Sep 2021 – Mar 2023

- Accelerated infrastructure and file exchange application migration to IBM Sterling File Gateway, completing in 12 months what had only 30% progress over prior 24 months, achieving 100% migration with zero production impact
- Migrated 5 transactional communication interfaces and 450 contracts to banking core systems, meeting legacy tool 'Communicator' end-of-support deadline
- Executed critical bank operations migration while maintaining zero production downtime

Project Manager — Keep It Simple

Jun 2020 – Sep 2021

- Led Oracle NetSuite implementation (5 modules, SuiteSuccess methodology) across 3 clients: Innova Schools (Colombia), Migiva Group (Peru), and Siigo (Colombia and Ecuador), conducting role-based user training
- Minimized monthly close cycles across all three clients and implemented optimizations in tax compliance processes

- Achieved 60% reduction in annual tax reporting preparation time for clients post-implementation

IT Manager (Jefe de Sistemas) — Color Siete S.A.S

Feb 2016 – Feb 2020

- Led digital transformation and migration implementing Oracle NetSuite under SuiteSuccess methodology in record 2-month timeframe, replacing legacy ERP with zero operational impact
- Implemented Production, Inventory, and Logistics modules, training 90 users across multiple roles
- Reduced monthly financial close time by 40%
- Recognized by Nexia Montes y Asociados for excellence in IT security, IT governance, and copyright compliance management

Instructor — Servicio Nacional de Aprendizaje SENA

Dec 2013 – Dec 2015

- Participated in research initiative at Center for Electricity and Industrial Automation (CEAI)
- Directed training projects and served as member of training project evaluation committee

IT Coordinator (Coordinador TIC) — Susuerte S.A

Jun 2013 – Dec 2013

- Executed technology asset renewal for over 55% of company technology infrastructure
- Implemented wind and solar power systems for transmission antennas, achieving 30% reduction in communication costs

EDUCATION

Master of Business Administration (MBA) — UPB Universidad Pontificia Bolivariana (Jun 2024)

Specialist in Senior Management (Especialista en Alta Gerencia) — Universidad Nacional de Colombia (Sep 2018)

Systems Engineer (Ingeniero de Sistemas y Computación) — Universidad del Quindío (Mar 2012)

CERTIFICATIONS

- Digital Product Management – University of Virginia (2020)
- IT Project Management – Indian School of Business (2020)
- Digital Marketing Certified Professional (DMPC) (2020)
- Design Thinking Professional Certificate (DTPC) (2019)
- Scrum Master Professional Certificate (SMPC) (2019)
- Strategic Project Management (Gerencia Estratégica de Proyectos) – Universidad Nacional de Colombia (2018)
- Embarcadero E/R Studio Data Architect – IT Tools (2015)
- Embarcadero Data Tools Professional – IT Tools (2015)
